

M.Ed. SECONDARY EDUCATION

Our Teacher Education program is based on the philosophy that learning to be a teacher is best accomplished when an understanding of theory and practice is balanced by the knowledge gained through diverse experience in schools. Foundational courses will introduce you to theories in education. Your professional methods sequence courses will emphasize field placement and experiential learning and your student teaching semester will be your final culmination in applying what you have learned.

MASTER'S DEGREE WITH LICENSURE

8-week courses delivered online, blended and on-campus.

Total Licensure Requirements (40 credit hours)
