

**BACHELOR OF ARTS IN ELEMENTARY EDUCATION WITH DUAL LICENSURE
ELEMENTARY & SPECIAL EDUCATION**

Regis University's teacher licensure program develops educational leaders who improve and transform society. The curriculum emphasizes Jesuit ideals including serving others, striving for excellence and reflective practice; service learning integrated into every program, integrating theory with practical application; curriculum focused on developing teachers who are data literate and able to think critically; and instructional technology embedded into every course to help teachers inspire a deeper level of learning. Through this program, students can earn their Bachelor of Arts in Elementary Education and Special Education while simultaneously earning licensure/endorsement in Colorado for both Elementary Education and Special Education.
