

**MASTER OF SCIENCE IN NURSING - LEADERSHIP IN HEALTH CARE SYSTEMS
DEGREE PROGRAM**

With almost half a million nurses set to retire by 2022, the nursing world is about to undergo a serious talent shortage. That means promising career opportunities for nurses and nursing school graduates with leadership and management experience. The Masters in Nursing Leadership provides knowledge, skills, and attitudes to meet the AACN Masters Essentials in a 30 hours credit Master's degree, enabling the student to complete the requirements while still employed in 5 semesters.

In addition, 4 certificate options are available to compliment your degree and focus your education in a specialized area.

DEGREE REQUIREMENTS

The total degree requires 30 credit hours, with an option to add a supplemental certificate to focus your education in a specialized area.
