To apply for financial aid, complete the online Free Application for Federal Student Aid (FAFSA) at: www.fafsa.ed.gov. List Regis University, School Code 001363, in the school section of the FAFSA.

You will need to complete the 2017-18 FAFSA to be awarded for spring 2018 term. To be awarded for the summer and fall terms, you will complete the 2018-19 FAFSA.

Please visit the Financial Aid website for more information regarding the financial aid application processes, www.regis.edu/financialaid. To view your financial aid Award Letter, visit WebAdvisor; under the financial aid heading, select "financial aid award" and then select the award year. Be sure to check the "Comments" section of your Award Letter for any further instructions.

Accelerated Nursing students generally meet the cost of the program through a combination of both federal and private student loans. More information about types of loans, including private alternative loans, is available on the Financial Aid website under Loan Information. Typically, students apply twice for private student loans, once for the spring and then again for the summer and fall semesters. You cannot apply once for all three semesters.

Financial aid is allocated to your student account for the entire semester. The Student Accounts office will pay tuition and fees owed for the entire semester and then refund any excess funds to you. When financial aid is involved, there is only one refund per semester in most cases. You can sign up for direct deposit on WebAdvisor to have any refund deposited to your bank account. If you are paying cash or partial cash, due dates will correspond with each class. As a rule, tuition is always due by the add/drop deadline for a course.

Please contact the Financial Aid office with any questions. James Cesar is the Financial Aid Counselor who works with Accelerated students. He can be reached via email at jcesar@regis.edu or by phone at 303.458.4258.

NOTE: If you are planning to take out financial aid for prerequisite coursework, please discuss this with your Financial Aid counselor before taking out aid from another school. This could impact your eligibility here at Regis University.
