FIRST THINGS FIRST

- Regularly check your Regis email by signing in at Regis Today.
- Memorize your Regis ID number and include it on all correspondence.

FINANCIAL AID

- Contact your outside scholarship administrators to get information about disbursement dates. Funds need to be received by the due date (August 1 for fall, January 1 for spring).
- If you applied for federal financial aid, login to WebAdvisor to view your Financial Aid Award Letter. To respond to your loan offer, click on Accept or Reject My Federal Direct Student Loan.
- If accepting Federal Direct Loans, first time borrowers at Regis University must complete Entrance Counseling and a Master Promissory Note online at studentloans.gov.
- If you are awarded Federal Pell Grant AND you graduated from a Colorado High School AND you are a current Colorado resident, you may be eligible for the Colorado Opportunity Fund (COF). Complete the Colorado Residency form and the Authorization to Request COF Stipends form, found at regis.edu/faforms. You must also apply for the funds at https://cof.college-assist.org
- If a Parent PLUS loan is offered on your award letter, and your PARENT borrower is interested in borrowing all or a part of the loan, the borrower must apply at studentloans.gov. A credit check will be required and completion of a PLUS loan Master Promissory Note.

NEXT YEAR REMINDERS!

- You must complete a Free Application for Federal Student Aid (FAFSA) by April 15 every year for priority funding.
- Student employment positions are limited. A Student Employment Application or the FAFSA must be received by the April 15 deadline if you are interested in student employment. Form is on the website at regis.edu/faforms.

2. Set up a Regis Payment Option (RPO)

   The Regis Payment Option (RPO) is a convenient interest-free monthly payment plan for students registered for semester-based courses. The Regis Payment Option spreads the semester tuition and fees over 4, 5 or 6 monthly payments. Interest is not charged on the plan balance. The RPO application can be found online at regis.edu/saforms. There is a $50 per-semester enrollment fee. You must submit a completed RPO application with the $50 fee to Student Accounts by the semester’s payment due date.

   You can view your Regis Payment Option (RPO) Plan Schedule and make a payment through WebAdvisor. RPO payments can be completed online in three steps. Log into WebAdvisor Students Menu, under Student Accounts click Make a Payment and then click Pay on My Regis Payment Option.
   - Select the appropriate Payment Plan and click Submit
   - Input Amount to Pay, select Payment Method/Type and click Submit
   - Input Credit Card/Checking Account information and click Submit.

   You have the option to self-pay every month or have Regis automatically schedule the payments.

PLEASE NOTE: A new RPO application needs to be completed for each semester.
